## RESIDENT ALARM INFORMATION

Alarm permits expire every year on December 31<sup>st</sup>. You do not need to fill out a new permit each year, unless any of the information you provided has changed. You can either drop off your payment or mail in a \$5.00 check, made payable to City of Selma, to the below listed address.

The City allows 5 false Burglar Alarms and 5 false Fire Alarm activations per calendar year. Upon the 6<sup>th</sup> false Burglar Alarm, the City will charge \$25 for each subsequent false activation. Upon the 6<sup>th</sup> false Fire Alarm, the City will charge \$50 for each subsequent false activation. **Robbery or hold-up alarms are \$100 each.** Calendar year runs January 1<sup>st</sup> and ends December 31<sup>st</sup>.

In order to keep False Alarm activations at a low, please be sure to train anyone who has access to your Alarm System on how to use it. A majority of false alarms are the result of human error (i.e.: forgetting and entering wrong codes and accidental set-offs). Also, anytime your alarm company works on your alarm system or tests it, be sure to contact Dispatch at (210) 653-0033 to let them know not to send an Officer to your home during that time frame. This should help reduce the rate of false alarms. Additional information pertaining to the City may be located via the web at;

As always, please feel free to contact me with any questions or concerns; Teddi Young #210-651-7865 or [tyoung@ci.selma.tx.us](mailto:tyoung@ci.selma.tx.us). Thank you for your time and attention.
