

EVANS ROAD NOW OPEN

Despite Mother Nature trying to hold us down, we can officially report that Evans Road is now open from Interstate 35 to FM 2252. Also, Lookout Road from Evans Road to Loop 1604 is now open to through traffic. However, Lookout Road from Jordan Road to Evans Road is still closed due to the ongoing bridge construction. If the weather will start to cooperate, we hope to have the bridge open sometime in the next several months.
